

HOWARD UNIVERSITY
COLLEGE OF ARTS AND SCIENCES
Center for Preprofessional Education
ADVANCED ACADEMIC
SUMMER ENHANCEMENT PROGRAM
June 9, 2007 to July 28, 2007

PROGRAM GOAL

The goal of the Advanced Health Careers Opportunity Program is to introduce pre-health professional students to the first year of health professions school. This program will review and reinforce fundamental scientific principles for the more advanced science courses to enhance the students' preparation for entrance into health profession schools.

PROGRAM COMPONENTS

- ◆ Gross Anatomy and Biochemistry
- ◆ Intensive Preparation for the Medical College Admissions Test (MCAT) or the DAT
- ◆ Visits to Health Profession Institutions
- ◆ Exposure to specialties in medicine
- ◆ Health Professions Admissions & Financial Planning Workshops
- ◆ Introduction to Analytical Reasoning, Problem-Based Learning and Research Principles

PROGRAM EXPECTATIONS

Each student is required to stay on campus, complete the entire 7-week program, and prepare a written summary of his/her experience at the end of the program.
