To stimulate interest in science, this academic science enrichment program is designed to build bridges and vital anchors for science education in college and ultimately for careers in the sciences.

**Program Components:**

- Mathematical Concepts and Quantitative Reasoning
- Oral and Written Communication
- Critical Thinking—Analysis and Application of Information
- Reading Skills
- Introduction to fundamental concepts in the Physical and Biological Sciences
- Visits to Science Centers, Museums, and Laboratories

**Who Is Eligible?**

- Students who are live and attend school in the Greater Washington, DC Metropolitan Area.
- Students who have a minimum cumulative GPA of 2.8
- Students who have been promoted to Grade 7, 8, 9, 10, and 11.
  *The applicant should have an interest in Science or should demonstrate a desire to develop such an interest.

**What Will It Cost?**

The *registration fee is $400.00*, payable by money order only. *Personal checks will not be accepted.* Please make the money order payable: **Attn: Howard University—SEP**.

**To Apply**

Applicants must be U.S. citizens, non-citizen nationals, or foreign nationals with a visa permitting permanent U.S. residence and must submit:

- The completed application and health form
- An official school transcript
- Two letters of recommendation—one from a Science Teacher, and the other from your Guidance Counselor
- A recent passport-size photograph
- The registration fee

**APPLICATION DEADLINE:** May 16, 2004
